Dear Kristine,

Thanks for your message. The article and issue you quote are from the August 2000 issue of the Journal of Chemotherapy. It is in our archives on our website and the print edition was mailed to subscribers around September 1, 2000.

I hope this helps.

Best wishes, Mary

Hello,

I am a Reference Librarian at the U.S. Patent and Trademark Office. I am trying to find the publication date (print and online, if the latter is applicable) and the mail date (date the issue was mailed from the printer to the subscribers) of the following article:

T. File, et al.
Journal of Chemotherapy vol. 12, n. 4, 314-325, 2000

Please send me the information via email or you can fax or call me at the corresponding numbers below. (My mailing address is below if you wish to send an additional copy by mail.) Please contact me if you have any questions. Thank you for your assistance.
